AQUANAUTS
AGES 6-12

Beware at the Beach! Aquaraiders

NEW!

A. Aqua Doser

Pop! the ocean floor and scoop up crystals in the doser's bucket. A working compass on the tail will guide this sneaky ship through dark underwater caves. And if you need to escape quickly, pop open the cockpit and zoom away in the mini stealth vehicle! Includes one Aquaraiders. Ages 8-12. 133 pieces.

#2161 Aqua Doser \$27.98

Pop open the cockpit and cruise in this mini escape vehicle.

Push the tail to lift the bucket!

Hi right, Maniacs. You like the Aquanauts. You love the Aquasharks. Now get ready to meet the sneakiest, craftiest, slitheriest guys in all of Aquazone — the all new Aquaraiders!

Not only do we have the sneaky new Aquaraiders, but we have over 80 new items in all. Check out the awesome new LEGO TECHNIC sets on pages 42-47. And the new Town Rescue on page 18. In fact, you'll probably want to take your time on every page as you'll find over 200 action-packed items, including many exclusive or hard-to-find sets!

So turn these pages... and plunge deep into the exciting world of LEGO toys.

With this working compass, you'll never get lost!

B. Shark's Crystal Cave

Follow the Aquashark ship — but watch out for its grasping claw arm, powerful magnetic arm, and glistening harpoons. The hideout has its dangers, too — like the secret cave entrance that's almost impossible to escape from! You're sure to think up all kinds of amazing adventures with the hungry shark, mini-sub, two Aquanauts and real working compass. Ages 8-12. 253 pieces.

ISLAND

CD-ROM Game

The Infomaniac
Your host, inventor, and friend.

There is so much to do on LEGO ISLAND: building, racing, flying, jodeling, skateboarding, and just kickin' with your friends...unless you accidentally let the Brickster out of jail.

The Brickster
He's bad to the brick.

GOOD IDEA!
Let me loose and I'll destroy this town brick by LEGO brick. You'll catch a cold before you catch me!

Look out!
The Brickster
is escaping.

A. Barcode Multi-Set

This monster truck gives you absolutely amazing power with a motor, sound effects and a unique device that uses barcodes to program its movement. Use the special "Code Pilot" to scan bar codes on the Code Card to tell the track what to do. Connect the Code Pilot to the track and watch the truck get to work! Arm up, arm down, claw open, bumper bump, track forward, track backwards, sound effects — YOU CALL THE SHOTS! And if that's not enough, flip the Code Card over to record and play back music with the Code Pilot. Requires 6 AA batteries not included. Ages 11+. 1253 pieces.

C. Fiber Optic Multi-Set

Build a helicopter, dragster and even a robo-freely — then watch them glow when you activate the state-of-the-art Fiber Optic System (FOS). The FOS sends a red light through the clear cables so that your models look super-charged. Build a crank on the helicopter to turn the rotor — use the same crank on the robo-freely to flip its wings. Then, speed the dragster across the floor and watch the pistons pump. Just for fun, use the same pieces to build a speedboat and a robot. Comes with a battery box that activates the fiber optics (requires 1 9V battery not included and instructions to build 5 models: 3 not shown).

Ages 10+. 385 pieces.

Deep Sea Bounty

Inside the whale's skeleton... where few dare to enter... lies a secret cave and priceless treasure! Be careful. No diver has been able to take the treasure without getting trapped inside the jaws of the skeletal beast. You've got all the equipment you need for the job, with a fully equipped expedition boat, mini-sub, underwater camera, x-ray machine, shark cage and lots of diving equipment. But watch out - the sea is full of dangers and marine life, including a stingray, octopus, swordfish and even sharks! Comes with 3 divers and 3 crew members.
